

March 2023

Dear Class of 2030 Parents/Carers,

A huge welcome to Avonbourne Boys' and Girls' Academies.

We are delighted that your child has been offered a Year 7 place at one of our academies for this September. We look forward to welcoming you all into our school community and giving your child an enriching, challenging and enjoyable education that fully prepares them for adult life. From their very first day at Avonbourne, we will aim to give your child the support and encouragement they need to thrive and make the most of their time here.

Our two single-sex secondary academies are part of United Learning - a national group of schools which aim to bring out the best in everyone. As a part of United Learning, we seek to deliver an Education with Character so that pupils develop into confident, articulate and ambitious young adults. This means that, alongside a broad and balanced curriculum, we offer a very wide range of enrichment opportunities designed to inspire students and help them find and nurture new talents and skills. We very much hope your child will take full advantage of our extensive enrichment programme and finds something which excites and motivates them.

Across both our academies, we have high academic standards and through a wide-ranging curriculum and targeted interventions, we seek to ensure every student makes significant progress during their time with us. This is reflected by our strong Progress 8 scores for 2022 which demonstrate how much progress our students make between Year 7 and GCSE. With a Progress 8 score of +1.16 and +0.44 at our Girls' and Boys' Academies respectively, our schools are amongst the best in the country.

We appreciate that choosing a secondary school for your child is one of the most important decisions you will make as a parent. To give you more information about our academies, we will be sharing a live online presentation on **Tuesday 7th March 2023 at 6:00 pm**.

The link for this is: [Microsoft Teams Link](#)

If you cannot make the presentation, you are welcome to view at your convenience. The presentation will be posted on our websites (www.avonbourneboysacademy.org.uk or www.avonbournegirlsacademy.org.uk) under the tab 'Students and Parents' and 'Transition' from Wednesday 8th March.

During the presentation we will be discussing the Admissions Data forms which will be emailed to the email address you used when applying for secondary school places. The deadline for these data forms to be completed electronically is Friday 31st March 2023. If you have any questions or concerns about the forms, please do email us or visit us at our visitor's reception where our colleagues will be able to assist you.

If you haven't already visited us for a tour, please do book on to one of our Open Mornings which are held on different days each week. You can book onto these via the Open Morning pages on our websites under the tab 'About us'. Our Open Mornings are the best way to see our academies 'in action' and will give you a real sense of what it is like to come to school here and be part of our community.
