Uniform Policy

Uniform Rationale

Avonbourne Boys' and Girls' Academies aim to give all students the foundations for a successful life by helping them to develop the skills and attitudes that will provide them with real life-chances.

We believe our Academy uniform achieves four important goals:-

- High expectations and immaculate 1st impressions.
- It encourages a sense of community identity and pride. By wearing the same badge and the same clothing, students are encouraged to think of the needs of the community as well as their own individual needs and makes all students ambassadors for the Academy in the local community.
- It encourages our students to develop habits for life. By learning to polish their shoes, fold trousers or hang up their blazers, students learn the habits of discipline and personal responsibility as a smart appearance is an increasingly important aspect of modern life.
- It prevents unkindness or bullying while keeping costs down and making it cost effective for parents in the long run. By requiring all our students to wear the same low-cost uniform, we reduce the incentive for students to ask parents for the latest (and most expensive) items of fashion. Whilst in the Academy, this allows students to focus on their academic performance rather than on what they are wearing.

Our Academy aims to prepare students for a successful life and so an emphasis on taking pride in one's own appearance is an essential part of the educational process.

However, for our uniform policy to be successful, it must be implemented universally and without exception. We understand that, for some families, finances are tight. We believe that, by doing all we can to keep items of fashion out of school, we help families to keep costs down. Nevertheless, if you do have an individual problem, or you are unsure about an item of clothing, please do not hesitate to contact your child's Head of Year who will deal with your enquiry in the strictest confidence.

We give below some notes for guidance and clarification.

School uniform lists can sometimes seem over detailed and over particular. Our experience is that we prevent misunderstandings by being very precise about our requirements.

We do not wish parents to spend money on items we do not allow to be worn. It should be noted that not all items under 'school uniform' in some stores fulfil the school's uniform requirements.

The full support of parents is requested with regard to their children wearing the correct uniform.

Please note: students must be in full uniform when travelling to and from the Academy as well as when in the Academy (except when permission has been given because of school educational visits)

Hair

Students' hair must be in a conventional and understated style.

Boys' hair must be no longer than collar length and kept short on top. In addition, there should be no severe contrast between the top of the hair and the sides. Short sides must be faded gradually into the top of the haircut so there is no noticeable 'step' or layering.

Some specific styles that are **not** permitted:

- Haircuts where the student's hair is cut below a grade 2 above the line of the top of their ears
- Patterns shaved into a student's hair or eyebrows, including an artificial parting or tramlines
- High or flamboyant hair styles, such as a 'Mohican'
- Any unnatural colours
- Styles that hide the face
- Heavy floppy styles or large quiffs at the front
- Any other hairstyles that the Academy considers to be inappropriate

Boys in Years 7-11 are not permitted to grow facial hair. This is a privilege given to students when they are admitted to the 6th form.

Girls' hair must also be in a conventional and understated style.

Some specific styles that are not permitted:

- Bows, flowers or other adornments in the hair
- Unnatural colours or extensions
- Styles that hide the face
- Patterns shaved into the student's hair or eyebrows
- Any other hairstyles that the Academy considers to be inappropriate

This list is not exhaustive and the Academy will have the final decision on what is/is not acceptable.

Some of our girls may choose to wear headscarves for religious reasons. Headscarves must be black, grey or navy blue. Pins or clips must be small, dark in colour and understated. There can be no decorations such as sequins or patterns. Material must not be too long at the front or the back so as to obscure the uniform or look untidy. At the front, headscarves material must not go below the V-neck of a jumper or equivalent.

Cyclists

Cyclists should be wearing full Academy uniforms when riding their bicycles. They should not cycle while listening to a personal music device. All students cycling to the Academy must wear helmets. Please refer to our Cycling Policy for further information.

Expectations

All students are expected to appropriately wear the full Academy uniform from the moment they leave their home in the morning until they arrive home in the afternoon. Students are representing the Academy at all times and should be proud to be part of the Academy community. Any student bringing the Academy into disrepute by not adhering to the uniform policy will receive sanctions. In cases where the presentation of a student's uniform is not in line with the high standards expected, students will work in Inclusion until the issue is resolved. It is the responsibility of the parent/carer and the student to ensure that such situations are avoided.

Parent/Carers medical notes for uniform

If a student has a medical reason for the need to wear modified footwear, a medical note supplied by a doctor or medical practitioner must be provided specifying the exact type and brand of footwear (all such notes will be confirmed with the medical professional).
