Dear Parents/Carers,

Year 11 October half term raising attainment sessions

Students have worked extremely hard so far this academic year and have made an excellent start to Year 11. There has been a real buzz around the year group and with just 12 school days until the mock exams start, revision is in full flow.

To support students with the upcoming exams and coursework completion, a range of subjects are putting on raising attainment sessions during half term. These sessions have been hugely popular in the past, with many students stating that they had been a key factor of their success. Please do encourage your child to attend the sessions in subjects they study.

Monday 27th October	Health and Social Care	10:00 – 12:30	Block B playground gate

As the campus will be undergoing extensive site works, for health and safety purposes students will need to be escorted by staff to where their session is taking place. It is therefore crucial that your child turns up on time to the session – turning up slightly early is encouraged!

Students do not need to wear school uniform for these sessions but should bring their pencil case, a water bottle and a snack.

Yours sincerely,
