

Year 13

Term	Autumn 1								Autumn 2								Spring 1								Spring 2								Summer 1											
Date	06/09/2021	13/09/2021	20/09/2021	27/09/2021	04/10/2021	11/10/2021	18/10/2021	25/10/2021	01/11/2021	08/11/2021	15/11/2021	22/11/2021	29/11/2021	06/12/2021	13/12/2021	20/12/2021	27/12/2021	03/01/2022	10/01/2022	17/01/2022	24/01/2022	31/01/2022	07/02/2022	14/02/2022	21/02/2022	28/02/2022	07/03/2022	14/03/2022	21/03/2022	28/03/2022	04/04/2022	11/04/2022	18/04/2022	25/04/2022	02/05/2022	09/05/2022	16/05/2022	23/05/2022	30/05/2022					
English Language	Language Change - History & Processes AND NEA Investigation								Language Change - Standards & Technology AND NEA Investigation								Language Diversity - World Englishes & Child Language Acquisition (Writing)								Revisiting Diversity & Flipped Learning								WTMs											
English Literature	Poems of the Decade and Romantic Poetry								Poems of the Decade and Romantic Poetry								Frankenstein and Othello (Critical Theory)								THT & Frankenstein and Drama Revision								Prose and Poetry Exam Revision											
Maths	Reciprocal Trig Conditional Probability		Functions		Normal Distribution Moments		Inverse Trig		Trigonometry 2		Differentiation 2						Integration 2				Parametric Equations				Kinematics 2		Dynamics		Forces 2		Hypothesis Testing		Correlation and Regression		Moduli		Revision							
Further Maths	Further Complex Numbers		Series		Polar Coordinates				Applied Option								Methods in Calculus				Differential Equations				Hyperbolic Functions				Further Differential Equations				Revision											
Chemistry	The Ozone Story				What's in a medicine?				What's in a medicine?		Polymers and life		The chemical industry				The chemical industry		Oceans						Oceans		Developing Metals						Colour by Design/Revision											
Biology	Neuronal Communication		Hormonal Communication				Homeostasis		Homeostasis		Plant responses		Energy for biological processes				Respiration		Genetics of living systems		Patterns of inheritance and variation				Manipulating genomes		Cloning and biotechnology		Ecosystems				Ecosystems		Populations and sustainability		Revision							
Physics	Circular Motion		Centripetal Force/oscillations		Gravitation/cosmology				Capacitance/assessment		Electric fields		Electromagnetism				Nuclear and particle physics		Medical Imaging		PAG catchup/revision				SKU audit		Revision		Revision		Assessment		Revision		Revision									
Business Studies	Analysing the strategic position of a business								Choosing the strategic direction								How to pursue strategies								Managing strategic change								Revision											
Media	Music & Coursework								Newspapers & CW								Drama								Print								Online & Revision											
Art	Continuation and completion of Personal investigation.								Continuation and completion of Personal investigation.								Issue of Final exam. Completion of preparatory work AO1, AO2, AO3								Continuation of final exam preparation								Completion of final piece and written evaluation.											
Sociology	Religion				Social Inequality and Health and Disability				Social Inequality and Health and Disability								Social Inequality and Health and Disability								Social Inequality and Health and Disability				Revision				Revision											
Psychology	Approaches and Issues and Debates								Biopsychology		Schizophrenia						Cognition and Development		Forensic Psychology						Research Methods				Revision															
History	Paper 1: Britain Transformed: Interpretations of Thatcher 1979-97. Paper 3: Witchcraze in Britain, Europe and North America c1580-c1750								Paper 1: Britain Transformed: Interpretations of Thatcher 1979-97. Paper 3: Witchcraze in Britain, Europe and North America c1580-c1750								Paper 3: Witchcraze in Britain, Europe and North America c1580-c1750 Paper 4: Coursework								Paper 3: Witchcraze in Britain, Europe and North America c1580-c1750				Revision programme				Revision											
Dance	Compulsory area of Study Theory (Rambert), Professional Work (Sutra) Technique and Performance pieces								Compulsory area of Study Theory (Rambert), Professional Work (Sutra) Technique and Performance pieces								Professional work (Rooster), ICDSIB revision, NEA: Consolidation of Performance Pieces and Choreography Development								Professional work (Rooster), ICDSIB revision, NEA: Consolidation of Performance Pieces and Choreography Development								Revision											
Geography	The Water Cycle and Water insecurity and Superpowers								The Carbon Cycle and Energy Security and Superpowers								Health, Human Rights and Intervention and Superpowers								Advanced Paper 3 Preparation and Superpowers								Revision											
Level 3 Sport Science	Unit 8: Organisation of sports events								Unit 1: Body systems and the effect of exercise								Unit 2 – Sports coaching and activity leadership				Unit 2 – Sports coaching and activity leadership				Unit 17: Sports Injuries and Rehabilitation				Unit 3 – Sports organisation and development															
Textiles	NEA Personal Investigation: Portfolio & Related Study								NEA Personal Investigation: Portfolio & Related Study								NEA Personal Investigation: Portfolio & Related Study								NEA Personal Investigation: Final piece & Related Study								Revision/Finalise NEA for submission in early May.
